Liability:

I/We the undersigned understand that Math Quest’s rules and regulations are designed for the safety and protection of participants. While at camp my/our child agrees to abide by the rules and regulations put forth by Math Quest and the Instructors.

I/We agree that Math Quest, its directors, instructors, volunteers and/or affiliates will not be liable for any injury to my/our child, or for loss or damage of my/our child’s personal property, arising from or in any way resulting from his/her participation in Math Quest, UNLESS, such injury, loss, or damage is caused by neglect.

I/We declare that having read and understood this agreement, I/we hereby consent to have my/our child participate in Math Quest subject to the terms and conditions set in the statements above.

Your signature at the end of this document (page 4) acknowledges that you have read, understand and agree with this liability waiver.

Zero Tolerance of Bullying and Inappropriate Behaviour:

The Math Quest environment is inclusive and enjoyable for everyone. Math Quest has a zero tolerance policy for bullying and inappropriate behaviour to ensure the safety and full participation of all participants. Campers will be removed from camp if they violate this policy, with no refund.

Math Quest will not tolerate physical harm of another individual, malicious or offensive teasing, the use of abusive, vulgar, and inappropriate language, stealing or the intentional vandalism of materials and/or property of the university, Math Quest or campers, or the use of illicit substances while on university property and under the care of the camp.

The Math Quest employees involved will have ultimate authority to determine the consequences of a camper’s actions; their decision will be final. Your signature at the end of this document (page 4) acknowledges that you are aware of the Bullying and Inappropriate Behaviour Policy.

For campers in residence, the terms and conditions of residence also apply and may be found at http://eventservices.queensu.ca/accommodations/
