ERRATA

FOR

FUNDAMENTALS OF PROBABILITY

WITH STOCHASTIC PROCESSES

Third Edition

1. On Page 159, cut the last sentence of Exercise 14, "Count the letter Y as a consonant," and paste it to the end of Exercise 13.

2. On Page 223, lines 17 and 20, change x to i.

3. On Page 321, line 2, change (x, y) to (X, Y).

4. On Page 374, line 5, remove $dx_1\, dx_2 \cdots dx_n$. Line 5 must read as follows:

$$E(Y) = \sum_{x_n \in A_n} \cdots \sum_{x_1 \in A_1} h(x_1, x_2, \ldots, x_n)\, p(x_1, x_2, \ldots, x_n),$$
